REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholders' and Board of Directors of Second Street Securities, Inc.

Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of Second Street Securities, Inc. as of December 31, 2019, the related statements of income, changes in shareholders' equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of Second Street Securities, Inc. as of December 31, 2019, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of Second Street Securities, Inc.'s management. My responsibility is to express an opinion on Second Street Securities, Inc.'s financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to Second Street Securities, Inc. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

Auditor's Report on Supplemental Information

The information contained in Schedule I, II, and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the Second Street Securities, Inc.'s financial statements. The Supplemental Information is the responsibility of the Second Street Securities, Inc.'s management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In my opinion, Schedules I, II, and III are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Brian W. Anson

Certified Public Accountant

I have served as Second Street Securities, Inc.'s auditor since 2006.

SECOND STREET SECURITIES, INC.

Notes to Financial Statements December 31, 2019

Note 1: ORGANIZATION

Second Street Securities, Inc. (the “Company”) is a broker-dealer registered with the Securities and Exchange Commission (“SEC”) and is a member of FINRA. The Company was incorporated in Delaware on November 21, 1996, and is a wholly-owned subsidiary of Advent Software, Inc. (“Advent or Parent”). The Company conducts business with only one registered broker-dealer, Sungard Institutional Brokerage (“Sungard”).

Prior to February 2, 2015 the Company was a wholly-owned, direct subsidiary of Advent. Advent entered into an Agreement and Plan of Merger with SS&C Technologies Holdings, Inc. (“SS&C”), a publicly-traded company, on February 2, 2015. As a result, the Company has become a wholly-owned, indirect subsidiary of SS&C.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Income Taxes

The Company complies with Statement of Financial Accounting Standards (“SFAS”) No. 109, “Accounting for Income Taxes” which requires an asset and liability approach to financial accounting and reporting for Income taxes. Deferred income tax assets and liabilities are computed for differences between the financial statement and tax bases of assets and liabilities that will result in taxable or deductible amounts in the future based on the enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce the deferred income tax assets to the amount expected to be realized. The Company is included in the consolidated federal income tax return filed by the Parent and files a separate state income tax return in California. Federal income taxes are calculated as if the Company files on a separate return basis.

The parent company on a consolidated basis is subject to review by the Internal Revenue Service for years ending 2016, 2017 and 2018, for any tax assessments on previously filed returns. Under section 6501(a) of the Internal Revenue Code (Tax Code) and section 301.6501(a)-1(a) of the Income Tax Regulations (Tax Regulations), the IRS is required to assess tax within 3 years after the tax return is filed with the IRS.

(b) Nature of Services

Consistent with the Company’s ‘Supplemental Statement of Income (SSOI)’ filing with FINRA, the Company generates its revenue from commission-sharing. This relates to performance obligations on transactions subject to SEA Rule 10b-10 wherein the Company is engaged as a sub-agent for another broker dealer. It does not include net gains or losses from transactions made by the Company when acting as a principal or riskless principal.

Due to the nature of the Company’s business, the changes in receivables, contract assets and contract liabilities with customers, due to revenue recognized from performance obligations satisfied in previous periods, were deemed immaterial.

(c) Revenue Recognition (ASC 606)

Revenue is measured based on a consideration specified in a contract with a customer, and excludes any sales incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it satisfies a performance obligation by transferring control over a product or service to a customer. Taxes and regulatory fees on transactions, assessed by a government authority and collected from a customer, are excluded from revenue.

ASU 2014-09 - In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers*, to clarify the principles of recognizing revenue from contracts with customers and to improve financial reporting by creating

SECOND STREET SECURITIES, INC.

Notes to Financial Statements December 31, 2019

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

common revenue recognition guidance for U.S. GAAP and International Financial Reporting Standards. This ASU will supersede the revenue recognition requirements in ASC Topic 605, *Revenue Recognition*, and most industry-specific guidance. Entities are required to apply the following steps when recognizing revenue under ASU 2014-09: (1) identify the contract(s) with a customer; (2) identify the performance obligations in the contract; (3) determine the transaction price; (4) allocate the transaction price to the performance obligations in the contract; and (5) recognize revenue when (or as) the entity satisfies a performance obligation. This ASU also requires additional disclosures related to the nature, amount, timing and uncertainty of revenue and cash flows arising from customer contracts. An entity may apply the amendments by using one of the following two methods: (1) retrospective application to each prior reporting period presented or (2) a modified retrospective approach, requiring the standard be applied only to the most current period presented, with the cumulative effect of initially applying the standard recognized at the date of initial application. The Company adopted the revenue recognition standard as of January 1, 2018. We use a modified retrospective approach, with a cumulative effect adjustment to opening retained earnings. Our implementation efforts include identifying revenues and costs within the scope of the standard, analyzing contracts and reviewing potential changes to our existing revenue recognition accounting policies. The Company evaluates and will report the potential impact that these revenue recognition standards have on our financial statements, including the incremental costs of obtaining contracts, gross versus net reporting, and additional disclosure requirements. There were no material changes to the opening balance of revenue and accounts receivable when the company adopted the modified retrospective approach.

(d) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles and requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts or revenues and expenses during the reporting period. Actual results could differ from those estimates.

(e) Fair Value Measurement

The Company adopted ASC Topic 820, requiring a fair value measurement of certain financial instruments on a recurring basis. The adoption of ASC Topic 820 did not impact the Company's financial condition or results of operations. ASC Topic 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability.

ASC Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are described below:

Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that an entity has the ability to access.

Level 2 – Valuations based on quoted prices for similar assets and liabilities in active markets, quoted prices for identical assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable data for substantially the full term of the assets or liabilities.

Level 3 – Valuations based on inputs that are supportable by little or no market activity and that are significant to the fair value of the asset or liability.

The Company had no financial instruments to measure for fair value as of December 31, 2019.

SECOND STREET SECURITIES, INC.

Notes to Financial Statements December 31, 2019

(f) Cash and Cash Equivalents

The Company considers as cash all short-term investments with an original maturity of three months or less to be cash equivalents. The Company maintains its cash in bank deposit accounts which at times, may exceed uninsured limits. The Company has not experienced any losses in such accounts. All of the Company's cash and cash equivalents are held at high credit quality financial institutions.

Note 3: RECEIVABLES FROM BROKER-DEALERS AND OFF-BALANCE SHEET RISK

The Company provides a software platform for executing brokers with whom it has a revenue share relationship, for use of its proprietary software by clients of the executing broker. Full payment is required upon settlement of customer trades. The Company is exposed to risk of loss in the event that its executing broker fails to satisfy its obligation.

The receivables from the broker-dealer are pursuant to such revenue share agreement.

Note 4: REVENUE SHARING AGREEMENT

The Company has an agreement with a third party in which the Company shares in commissions and receives payments from Sungard Institutional Brokerage ("Sungard"), a registered broker-dealer. Payments are based on routing fees paid by customers to Sungard for trade order routing from Advent's order management system through Sungard's STN Network. The Company's share of the revenue generated from this arrangement for the year ending December 31, 2019 was \$4,701,263.

Note 5: NET CAPITAL REQUIREMENT

The Company is subject to uniform net capital Rule (Rule 15c3-1) of the Securities and Exchange Commission, which requires both the maintenance of minimum net capital and the maintenance of a maximum ratio of aggregate indebtedness to net capital. Net capital and aggregate indebtedness change day by day, but at December 31, 2019 the Company's net capital of \$1,811,648 exceeded the minimum net capital requirement of \$100,000, and the Company's ratio of aggregate indebtedness (\$946,754) to net capital was 0.52:1 which is less than the 15:1 maximum ratio requirement.

Note 6: INCOME TAXES

For the year ended December 31, 2019, the Company had an income tax expense of \$121,812.

Note 7: EXEMPTION FROM RULE 15c3-3

The Company is exempt from the SEC Rule 15c3-3 pursuant to the exemptive provision under sub-paragraph (k)(2)(ii) and does not have any possession or control of customer's funds or securities. The Company is therefore not required to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers". There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of SEC Rule 15c3-3(k)(ii).

SECOND STREET SECURITIES, INC.

Notes to Financial Statements December 31, 2019

Note 8: CONCENTRATION OF CREDIT RISK

The Company is engaged in revenue share with a counterparty. In the event the counterparty does not fulfill its obligation, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty. The Company has one customer that is a broker dealer.

Note 9: COMMITMENTS AND CONTINGENCIES

ASU 2016-02: Leases

In February 2016, The FASB issued ASU 2016-02 on Leases. Under the new guidance, leases will be required to recognize a lease liability and a right-of-use asset for all leases at the commencement date (with the exception of short-term leases). ASU-2016-02 is effective for annual and interim periods beginning on or after December 15, 2018 and early adoption is permitted.

The Company does not have a lease commitment due to the fact that the Company's administrative costs are covered by a third party

Note 10: SUBSEQUENT EVENTS

The management has reviewed the results of operations for the period of time from December 31, 2019 through February 14, 2020, the date the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements, nor have any subsequent events occurred, the nature of which would require disclosure.

SECOND STREET SECURITIES, INC.

SECOND STREET SECURITIES, INC.

December 31, 2019

Schedule II
Determination of Reserve Requirements
Under Rule 15c3-3 of the Securities and Exchange Commission

The Company is exempt from the Reserve Requirement of computation according to the provision of Rule 15c3-3(k)(2)(ii).

Schedule III
Information Relating to Possession or Control
Requirements Under Rule 15c3-3

The Company is exempt from the Rule 15c3-3 as it relates to Possession and Control requirements under the (k)(2)(ii) exemptive provision.

SECOND STREET SECURITIES, INC.

Assertions Regarding Exemption Provisions

We, as members of management of Second Street Securities, Inc. (“the Company”), are responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker or dealer’s designated examining authority (DEA). One of the reports to be included in the annual filing is an exemption report prepared by an independent public accountant based upon a review of assertions provided by the broker or dealer. Pursuant to that requirement, the management of the Company hereby makes the following assertions:

Identified Exemption Provision:

The Company claims exemption from the custody and reserve provisions of Rule 15c3-3 by operating under the exemption provided by Rule 15c3-3, Paragraph (k)(2)(ii).

Statement Regarding Meeting Exemption Provision:

The Company met the identified exemption provision without exception throughout the period January 1, 2018 and ending December 31, 2019.

**REPORT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

Board of Directors
Second Street Securities, Inc.
Woodland Hills, California

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) Second Street Securities, Inc., identified the following provisions of 17 C.F.R. §15c3-3(k) under which Second Street Securities, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k) (2) (ii) (the "exemption provision") and (2) Second Street Securities, Inc., stated that Second Street Securities, Inc., met the identified exemption provision throughout the most recent fiscal year without exception. Second Street Securities, Inc.'s management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about Second Street Securities Inc.'s compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Independent Accountant's Report on Applying Agreed – Upon Procedures Related to an Entity's
SIPC Assessment Reconciliation.

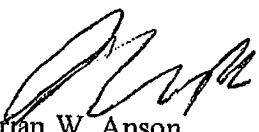

Board of Directors
Second Street Securities, Inc.
San Francisco, California

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the SIPC Series 600 Rules, I have performed the procedures enumerated below, which were agreed to by Second Street Securities, Inc. and the Securities Investor Protection Corporation ("SIPC") with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) of Second Street Securities, Inc. (the "Company") for the year ended December 31, 2019, solely to assist you and SIPC in evaluating Second Street Securities, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared the Total Revenue amounts reported on the Annual Audited Report Form X-17A-5 Part III for the year ended December 31, 2019, with the Total Revenue amounts reported in Form SIPC-7 for the year ended December 31, 2019 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any payment (overpayment) applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7. Accordingly, I do not express such an opinion. Had I performed additional procedures other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
